

REMARKS

The title has been amended to be in conformance with the English translation of the International Application.

The specification has been amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates. Also the specification is amended to correct typographical errors. A mark up copy and a clean copy of the substitute specification are provided.

Claim 3 has been amended to eliminate multiply dependency. The amendment is made to reduce filing fees and not for any other reason related to patentability of such claims. No new matter has been added.

The claim fee was calculated based on the amended claims above. Please examine the application in view of the amendment set forth above.
